

Two days training programme on Leather and Non leather product making

Date: 24th NOV, 2022

Venue: DAC Conference Hall, Namchi

MSME (Micro Small Medium Enterprises), Commerce & Industries Department, Government of Sikkim, in association with CLRI (Central Leather Research Institute), Chennai, Government of India, commenced a two-day's leather and non-leather product making training cum workshop and awareness programme at the conference hall, District Administrative Centre, Namchi.

The programme was chaired by Mrs. Bimla Chettri, Assistant Director, MSME, Commerce and Industries Department, Gangtok, Dr. Suresh Kumar, Sr. Scientist, CLRI, Government of India, and his team was present as the speaker and trainers for the said purpose.

Mrs. Bimla Chettri, AD, MSME, highlighted the aims and objectives of organizing this programme. She said that this program is to make the students, individuals from various SHGs and enthusiasts to be self-dependent through the production and sale of the leather and non-leather products in the future. She further said the said program is conducted under the State Skill Development Scheme.

The workshop was an initiative of the MSME, Commerce and Industries Department, which targeted students, youths, aspiring entrepreneurs and members of different SHGs to make them self-dependent and experts in making leather and non-leather products.

Present during the training were students from Namchi Government College, Government Vocational College, Dentam and individuals from various SHGs. A total of 29 participants were present for the training. Ms. Usha Rai from Victory SHG, Namchi, Mr. Abinash Chettri from Namchi Government College and Mr. Bimal Rai from Government Vocational College, Dentam gave positive feedback on the training

programme. They stated that it was very fruitful for them and that they would definitely utilize in their future.

The Programme ended with a vote of Thanks by Mr. Ricksum Lama, Inspector (MSME), Commerce & Industries Department, GoS.
